EXERCISE 1: ADJECTIVES

List out all the adjectives you can find in this passage. Look for the nouns first

There is a noisy bird on the thin wire outside my large window. I peep out to see what the problem is. It is a swallow with two white streaks on its tail and on its wings. Next to it, on the wire, is a tiny, bald swallow. The big bird flaps her wings, flies a short distance and returns. Then, she nags loudly and at her baby. The baby flaps his little wings but they are not strong enough to lift him. His ambitious mother encourages him louder. I realize there is an important lesson in the progress
