Young swimmer saves schoolboy

By Elisabeth Smith

Saturday, 8 September 2015

- 1 Bongi Shabalala, a 12-year-old Grade 5 pupil, saved a schoolboy who was drowning in a dam.
- 2 Eight year old Michael Naidoo was swimming in the Rough Dam near the school on Friday afternoon. According to reports, the Grade 3 boy was trying to dive from a tree, but hit his head on a branch before falling into the water. Bongi, who was on her way home from school, saw the boy floating in the dam. She immediately dived in to save him.
- 3 Bongi brought the boy to land and performed first aid on him. The Red Cross says that if someone stops breathing you must act immediately.
- 4 Luckily, Bongi's friend, Anne Brown, was passing the place of the accident. She went to the place where Bongi was helping the boy. She called the school principal who phoned the rescue services.
- 5 Bongi will receive a reward for her bravery and for saving Michael Naidoo's life.
- 6 The principal, Mr Makhanya, warned all the school children not to go to the dam on their own.
