### Position

Frequency adverbs and expressions of frequency go in different places in a sentence.

- Adverbs of frequency go before the main verb, but after the verb *to be*.  
*They **never** eat out.*  
*She's **always** out at the weekend.*  
*I don't **often** do sport.*
- Expressions of frequency normally go at the beginning or end of a sentence.

***Once a week**, I go for a run.*

Once a week: I go for a run.
