Lumba Haram : 14 Remaja Ditahan

MAHARASHTRA, WEST Bengal, Bihar and Assam faced severe rainfall during monsoon season this year, displacing several tens of lakhs of people. A new study

monsoon or tropical monsoon (ITM), along with experts from IT-Bombay and University of Maryland, have tracked this rising trend during 1950-2015 period, where widespread extreme

monsoon has been responsible for rising surge of westerly winds over to the Indian mainland during the monsoon, resulting in widespread and heavy rainfall over central India," said Nall.
