IV. READING

Read the passage and decide whether the sentences are True (T) of False (F).

The colour you paint the rooms in your house can make you more comfortable. The following colours can help you to eat, sleep, study and relax in your own home.

The bedroom: The perfect colour for your bedroom is blue. It is a very relaxing colour, and can make you feel happier and more positive when you wake up in the morning.

The living room: The perfect colour for your living room is pink. Don't use such colours as red, purple, and black because they don't help you relax.

The dining room: The colour orange can make you feel hungrier at mealtime. It also encourages more interesting talk between family members.

The study: Yellow is a good colour for this room, it makes you happier and helps you to think. It also makes dark spaces a little brighter.
