Lengkapkan simbol berikut dalam penghasilan landscape:

Simbol

The symbols include:

- Eight different types of trees and plants arranged in two rows of four.
- A small bush or shrub.
- A small patch of grass or ground cover.
- Three rectangular swatches showing different ground textures: a brick pattern, a wood grain pattern, and a stone pattern.
- Two irregular, wavy shapes representing water or a pond, one light green and one orange.

Each symbol is accompanied by a small white rectangular box for labeling.

This section contains 15 different textures and patterns for coloring. The items are arranged in three rows:

- Row 1: Four circular patterns. The first is a green leaf with veins. The second is a purple flower with a dark center. The third is a green star-shaped plant. The fourth is a yellow flower with a dark center.
- Row 2: Four circular patterns. The first is an orange flower with a dark center. The second is a green leaf with veins. The third is a green star-shaped plant. The fourth is a pink flower with a dark center.
- Row 3: Three rectangular patterns. The first is a red brick pattern. The second is a green and yellow striped pattern. The third is a grey and white stone pattern.

Below the patterns are three empty rectangular boxes for labeling.
