Brian: What are you doing tonight?
Amy: I'm staying home.
Brian: You're going to stay home on a Saturday night? No way!
Amy: Tonight is the last episode of *Angelica*.
Brian: You're staying in to watch a soap opera? I don't believe it!
Amy: I want to find out who killed the evil Rebecca.
Brian: You and millions of other viewers in the country. My sister is having a Last Episode party with her friends. Even my dad's staying home to watch *Angelica*. Oh, come on, let's go to Tony's. They have a TV set in the restaurant.
Amy: I can't stand eating out on a Saturday night. It's too crowded.
Brian: What can I do to persuade you?
Amy: Sorry. Nothing you say will change my mind. But would you like to come over and watch with us?
