Full name: _____ Class: _____

Based on the texts below, complete the following sentences.

Text 1

One of the countries which strongly fights corruption is the Philippines and earlier this month a government audit revealed that 82 suspicious NGOs received over PHP 6 billion ($135m) from sneaky politicians. The audit encouraged many Filipinos to gather in Manila's main park on 26 August to stop the pork-barrel politics. These demonstrators feel the spirit of People Power which succeeded in overthrowing the corrupt regime of Ferdinand Marcos in 1986.

Text 2

A major issue resentfully influencing India's economy is corruption. In 2005, a study conducted by Transparency International reported that more than 62% of Indians had first-hand experience of paying bribes or nepotism to complete work at public offices. Two years later, a report from the same organization revealed that about 40% of Indians had first-hand experience of paying bribes and nepotism. According to Transparency International in 2012, India was 94th most corrupt country together with Benin, Colombia, Djibouti, Greece, Moldova, Mongolia, and Senegal.
