The diagram illustrates the family structure of the Simpson family. At the top level, Abe Simpson and Mona Simpson are connected by a horizontal line, as are Clancy Bouvier and Jacqueline Bouvier. Below this, a vertical line from Mona Simpson leads to a horizontal line connecting Herb Simpson and Homer Simpson. Similarly, a vertical line from Jacqueline Bouvier leads to a horizontal line connecting Marge Bouvier, Patty Bouvier, and Selma Bouvier. At the bottom level, a vertical line from Homer Simpson leads to a horizontal line connecting Bart Simpson, Lisa Simpson, and Maggie Simpson. Finally, a vertical line from Selma Bouvier leads to a horizontal line connecting Ling Bouvier.
