# Conversation

Josh: Hi, Mike. Would you like to meet for dinner tonight?
Mike: Sure. Where should we meet?
Josh: There's a great all-you-can-eat restaurant below my gym. It's called The Open Table.
Mike: Sounds good.
Josh: Do you know where it is?
Mike: No, I don't.
Josh: It's on Market Street and Green. Take the subway, Line Nine. It's the quickest route. Get off at Market Station. Turn left when you get out, and walk two blocks. The restaurant's on the corner.
Mike: OK, I got that. What time?
Josh: Why don't we meet there around eight? And don't be late. I'm always starving after I exercise.
Mike: OK. See you later.

**About the conversation.**

1. What do Josh and Mike agree to do?

2. Where are they going to meet?

3. Where does Mike have to go get off on the subway?

4. How far is the restaurant from the station?

5. What time are they going to meet?
