

Activity 2

Time to learn

Homeschooling is something new and different but it is easy when we take care of our time.

These are some tips to organize your day!

Check the activities you did today and cross out the ones you didn't do. Count your checkmarks and write the number in the box.

Parents'tips:

Los alumnos pondrán una v si hicieron esa actividad el día de hoy o una X si no la hicieron. Al final contarán sus palomitas y se darán una calificación. Es necesario concientizar a los niños de la administración de su tiempo para evitar sobrecargas o estrés.
