

"Outdoors"

All day I've been inside
And I've got the feeling
I'm trapped between the walls
And underneath the ceiling
I feel a bit off track
And I'm trying to get back
Back in the cool, cool air where the sun is
shining
Nothing's going to stop me
It's all in the timing
It's finally again my turn
It's time to return
'Cause I won't stay inside no more
No more
I can not wait to go OUTDOORS.
Well open up your door and be like me
Open up your door and then breathe free
And look at all the beauty you'll feel
Loved, loved, loved, loved
Listen to the music of the wind and the
birdies sing
We're just one big family
And all of nature deserves to be
Loved, loved, loved, loved, Loved

So, I won't stay inside no more

No more

It can not wait, I'm sure

There's need to run and hide

Let's go explore

It feels so great let's go OUTDOORS

(Don't cha do)

Everyone come on

come on out here

Where the air is fresh and clear

So, I won't stay inside no more

No more

It can not wait

Let's go OUTDOORS

Well, open up your door and be like me

Open up your door and then breathe free

And look at all the beauty and you'll find

the earth and the sky is yours

*So please go, there's no need,
there's no need to hide inside*

Let's go explore

This will, this will feel so great

Let's go outdoors
