My country is Greece. It is located in Europe. Its city is Athens. It borders to the north with North Macedonia, Bulgaria and In the east it borders with

The country has high and large in Thessaly, Macedonia and Thrace. Greece has also a lot of in the Aegean and Ionian Sea and two....., Peloponnese and Chalkidiki.

The climate is Mediterranean. Winters are cold and snowy in the north and summers are hot and dry in the mainland.

The main problems in Greece are air and water pollution. The country's natural disasters include....., floods, droughts and forest fires. These days Greece is in economic crisis and a lot of young people go abroad to work. Nevertheless, Greek people are still and hospitable.
