BART SIMPSON

Hi kids! My name is Bart Simpson and I'm ten years old. I live in a beautiful city called Springfield, in USA. My mother's name is Marge and she is a housewife. My father's name is Homer and he works in a nuclear power plant. Also, I have got two sisters, Lisa and little Maggie.

Everyday I get up early in the morning. I get dressed and have delicious breakfast. Then I take the bus to school. Classes start and eight o'clock and finish at half past three so I have lunch at the school canteen. My favourite school subject is Physical Education. We do some exercise and play sports. I hate Maths because I find it really boring.

When I arrive home, I have a quick nap. Then I do homework and watch the cartoon show "Itchy and Scratchy". Later, I have supper and walk the dog. Its name is Santa. After that, I meet friends. Milhouse is my best friend. He has got glasses and heavy eyebrows. We have fun together. We like playing videogames, riding our bikes, surfing on the internet, reading comics and collecting strange bugs. I generally have dinner at half past nine. Then I brush my teeth and I go to bed at ten o'clock because I am really sleepy at that time.

Read the text and answer the questions. Then say if the statements are True(T) or False(F)

1.- How many sisters has Bart got?

2.- Where does Bart live?

3.- Does he get up late in the morning?
