

1- Listen to the song and complete.

We every year.

We fish.

The lake near.

We boots.

And we wood.

We a fire.

Yeah, camping is good!

We go camping every May,

We see wildlife every day.

We have fun in the daylight,

*And we sleep in a tent
every night.*

We camping last year.

We fish.

The lake near.

We boots.

And we wood.

We a fire.

Yeah, camping was good!
