SPEAKING APTIS TEST

PART 2: Describe the images

TIPS:

- Read the question carefully, but don't waste time repeating the question as you will not get any marks for reading it again.
- If you need time to think, use natural fillers such as "Well...", "So...", "or "Hmm let me see.."
- If you don't know the word for something or your mind goes blank don't panic! Just do what English people do and say "Anyway...." and start a new sentence.
- Try to keep speaking until the end and don't worry if the 'beep' stops you in the middle of a sentence.
