

Infinitive of purpose

We can use **to + infinitive** to say why we do something, to express purpose (to answer why?)

Друга частина речення, яка розпочинається з **to** відповідає на питання **Навіщо? Чому?**

I went on holiday to relax.

I am saving my money to buy a new phone.

I went home to sleep.

It was a hot day, so we decided

I came to England

Children came to the park

She went to the shop

I am really tired, so I decided

He studies a lot

to play football.

to buy some milk.

to go swimming

to go home now.

to get good marks

to learn English
