Think about your perfect holiday. You're going to post a message on a website about a normal day on your perfect holiday. Before you write your message, make some notes to help you.

WRITING PLAN

1. Where am I?

2. What things can I do on a perfect holiday? Make a list.

3. What time of day do I do them – morning, afternoon or evening?

4. Use *but* and *and*.

5. Use *usually, sometimes, always* and *often*.
