*Based On 'Get It Smart Plus 4'
Module 6 - Getting Around Page 62-63*

- 1 How many different means of transport do you know of? Listen and read. Then match. 

DIFFERENT MEANS OF TRANSPORT

Social
Studies

- 1 A tuk-tuk looks like a motorbike with three wheels. The driver sits in the front, and two to three people can sit in the back. Many tourists take tuk-tuks in Thailand. They can be faster than taxis. Riding in tuk-tuks is fun and exciting, too!
- 2 Gondolas are long boats. In the past, people used them in Venice, Italy, to get from one place to another. Gondolas are very slow. Riding in a gondola isn't very comfortable, but tourists love it!
- 3 People ride snowmobiles on snow. Snowmobiles haven't got wheels. They have got skis. They can go very fast. Snowmobile drivers have to wear a helmet and very warm clothes. It can get very cold on a snowmobile!

VALUE

Understand different cultures.
