### My lunch box by Tyler Edwards

I don't usually have school dinners, so I take a lunchbox to school everyday. In my lunchbox I often have a bag of \_\_\_\_\_ or maybe a small bag of (1) \_\_\_\_\_ - I think these are better for you. There's always some fruits too - maybe a nice red (2) \_\_\_\_\_.

I always have two big (3) \_\_\_\_\_ - my mum makes them with white or brown bread, and she usually puts some (4) \_\_\_\_\_ in them like chicken, or perhaps some nice cheese, or some healthy green (5) \_\_\_\_\_. At our school, we can't have (6) \_\_\_\_\_ like cola, so I always take some orange (7) \_\_\_\_\_. We can drink (8) \_\_\_\_\_ too. When I get home everyday I wash my lunchbox. Then, it's time for dinner. We always have a hot meal - perhaps some Italian (9) \_\_\_\_\_ with vegetable or a big pizza.
