

Environmental problems

Hope Works sent us a list of environmental problems but the pictures are mixed up. Let's help them!

1. Match the sentences with the pictures.

1. Factories **damage** the environment.

2. Cars **contaminate** the air.

3. We **waste** water when we don't close the tap.

4. Plastic can **damage** sea animals.

5. Factories **throw** waste into the sea.

6. People don't **recycle** rubbish.

7. Rubbish **pollutes** the Earth.

8. We **waste** water when we take long showers.
