

**RAJU**

Raju works at the airport. He arrives there at 6 am every day. His work sometimes ended at 12 pm. Raju's responsibilities are deciding safest route for plane and checking the plane before every flight. Raju also needs to communicate well with the air traffic control to ensure safety in landing and taking off.

**LISA**

Lisa works at various places. She arrives at the shooting set depending on her schedule. It is not fixed and always changes. Lisa's occupation needs her to memorize a lot of scripts and improvise it if needed during shooting hours. Doing rehearsal with other actors and actresses are also part of her responsibilities.

**Read the short paragraphs above and study it carefully. Then, complete the table by categorizing the information and details from the paragraphs.**
