Hi Ellie,

How are you? Are you having a nice holiday in the USA? I'm having a great time in Paris!

It's great weather here! It's hot and sunny. My family and I are staying in a very beautiful and modern hotel in the middle of the city and we visit a new place every day. The city of Paris is really interesting because you can do lots of interesting things. We're going to go to the Louvre Museum this afternoon and my parents are going to take photos of the most famous pieces of art in the world!

The food here is great. We're going to go to a very famous restaurant tonight and try a typical dish called "Coq au vin" (chicken with vegetables and cheese cooked in wine). I love chicken so I think I'm going to like it!

Tomorrow morning, we're going to take a boat trip along the Seine river and learn about the history of the city and its famous bridges. After that, we are going to go up the Eiffel Tower and see the city from the top. I'm really anxious about it! I'm going to buy a souvenir for you at the gift shop, I promise!

We're going to fly back home next week. I'm sad because I'm going to miss this beautiful city. I want to show you all my photos!

See you soon

Best wishes,

Kate
