You walked into the party
Like you were walking **onto** **into** a yacht
Your hat strategically dipped below **one** **your** eye
Your scarf it was apricot
You had one eye in the mirror
As you watched **himself** **yourself** gavotte
And all the girls dreamed that they'd be your partner
They'd be **their** **your** partner and
You're so vain
You probably **thought** **think** this song is about you
You're so vain
I **said** **bet** you think this song is about you
Don't you, don't you, don't you
You had me several **years** **fears** ago
When I was still quite naive
Well you said that we made such a pretty **pair** **hair**
And that you would **never** **ever** leave
But you gave away the things you **love** **loved**
And one of them was me
I had some dreams they were
clouds **clothes** in my coffee
Clouds in my coffee and

You're so vain
You probably think this song is about you
You're so vain
I bet you think this song is about you
Don't you, don't you, don't you
I had some dreams **they** **there** were clouds
in my coffee
Clouds in my coffee and
You're so vain
You probably think this song is about you
You're so vain
I bet you think this song is about you
Don't you, don't you, don't you
Well I hear you went **up** **out** to Saratoga
And your horse naturally won
Then you **flown** **flew** your Learjet up to
Nova Scotia
To see the total eclipse **of** **from** the sun
Well you're **where** **were** you should be all the time
And when you're not
You're with some underworld spy or the
wife **knife** of a close friend
Wife of a close friend
And you're so vain
You probably think this song is about you
You're so vain
I **get** **bet** you think this song is about you
Don't you, don't you, don't you
