

P2 Math

Unit 1 Test

1. Complete the missing number

$20 + \dots = 100$

$30 + \dots = 100$

$60 + \dots = 100$

$80 + \dots = 100$

$70 + \dots = 100$

$\dots + 50 = 100$

2. Count in fives and complete the missing number.

5		15			30	35			
---	--	----	--	--	----	----	--	--	--

3. Match to the same way to add.

$6 + 4 = 10$

$1 + 9 = 10$

$3 + 7 = 10$

$2 + 8 = 10$

$8 + 2 = 10$

$4 + 6 = 10$

$9 + 1 = 10$

$7 + 3 = 10$

4. Look at the 100 square to answer the questions.

a. Start on 5, count across five squares.

I counted in _____ from 5 to _____.

b. Start on 12, count down the column four squares.

I counted in _____ from 12 to _____.

c. Start on 50, count down the column three squares.

I counted in _____ from 50 to _____.

d. Start on 53, count across six squares.

I counted in _____ from 53 to _____.

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100
