TYPES OF TELEVISIONS

A: What kind of TV do you have?

B: We have a huge plasma TV.

A: How big is your plasma television?

B: It is over fifty inches wide.

A: What are the advantages of having this kind of TV?

B: The advantages are that everything looks really clear. It's much better than on my small, old television.

ADVANCED SOUND SYSTEMS

A: What sound system do you have with your TV?

B: We have a home-theater surround sound system that allows us to hear real-life sound effects.

A: What real-life sound effects can you hear with your sound system?

B: When I watch a movie, and someone opens a door, it is like a door is being opened right behind me.

A: Why do you think home-theaters are so popular?

B: They are popular because they create a life-like, rich sound that lets you enjoy the movie more fully.
