

Name: _____

ANUBAN

Find the matching shape and color.

The image shows a matching exercise with two columns of shapes and colors. The left column contains a blue circle, a purple diamond, a green square, a red heart, a yellow diamond, and an orange circle. The right column contains an orange circle, a red heart, a blue circle, a purple diamond, a green square, and a yellow diamond. A line connects the blue circle in the left column to the blue circle in the right column.
