### MALAYSIA, My country

Hi, I am a Malaysian. Today I am going to talk about my country, Malaysia.

Malaysia is a southeast Asian country in the middle of Indonesia, Brunei, \_\_\_\_\_, and \_\_\_\_\_. It consists of the *Peninsular Malaysia* (The southern of Mainland Asia) and *East Malaysia* (on the island of Borneo).

There are 32.6 million people in Malaysia and about 8 million of them live in the capital of Malaysia, which is \_\_\_\_\_. In Kuala Lumpur, you can also find the tallest twin tower in the world which is the *KLCC Petronas Twin Tower*.

Malaysia has thirteen states and three federal territories. The smallest state is Perlis while the biggest state is \_\_\_\_\_. We have a King called the Yang Dipertuan Agong. The national language is \_\_\_\_\_. The Malaysian currency is called the Malaysian Ringgit. Our National Day is on the \_\_\_\_\_, while the Malaysia Day is on the \_\_\_\_\_.

Our national flag is called the \_\_\_\_\_. It has four colours which is red, white, \_\_\_\_\_, and yellow. The yellow crescent moon symbolizes \_\_\_\_\_ the official religion of the country. The national anthem is called the \_\_\_\_\_.

Malaysia's climate is hot and humid. The rainy season is quite common in Malaysia. Malaysia is famous for its unique flora and fauna and beautiful natural sceneries such as the Langkawi Island and Mount Kinabalu. The national flower is the \_\_\_\_\_ but you could also find Rafflesia, the largest flower in the world in the jungles of Malaysia. The Malayan \_\_\_\_\_ and Orangutans are some of the famous inhabitants of the Malaysian tropical rainforests.

Malaysia is a multicultural country. You can see people from different races like the Malay, \_\_\_\_\_, \_\_\_\_\_, Sikh, Iban, and even the indigenous people living together in Malaysia. Because of the different cultures, we are also famous for our unique and delicious food such as, \_\_\_\_\_, rendang, and roti canai. Despite the differences, Malaysia is a very peaceful country. I love Malaysia so much.
