

1 Listen the song and complete. (Escucha la canción y luego completa los espacios en blanco arrastrando las palabras)

bad

man

No one knows what it's like

like

To be the \_\_\_\_\_

sad

To be the \_\_\_\_\_

man

Behind \_\_\_\_\_

blue

And no one knows what it's \_\_\_\_\_

To be hated

To be fated to telling only lies

they

But my dreams \_\_\_\_\_ aren't as empty

eyes

As my conscience seems to be

I \_\_\_\_\_ hours, only lonely

My \_\_\_\_\_ is vengeance

have

That's never free

love

No one knows what its like

To feel these feelings

\_\_\_\_\_ I do

And I blame you

like

No one bites back as hard

On their anger

dreams

None of my pain and woe

aren't

Can show through

But my \_\_\_\_\_ they \_\_\_\_\_ as empty
