UNIT 2 TALENT SHOW

Talent (by Paola)

Everyone's good at something,
In my family,
They've all got lots of talent,
Everyone but me!

My sister's good at painting,
She paints pictures of our town,
My brother's great at telling jokes,
He's the family clown.

My mum is the best singer,
And she plays the guitar too,
And my dad is the best at cooking,
He makes a great barbecue.

But what can I be good at?
I'll ask my mum and dad,
'Am I good at anything?
Can I really be that bad?'

'Don't be silly', says my mum,
'Your talent's easy to see,
You're the best at writing,
You write great poetry!'

So now I feel quite happy,
And what I know is this,
We've all got a talent,
Just find out what yours is!
