

That Was Yesterday by Foreigner

With the video, listen carefully and fill the blanks with the words you hear. You must complete the song with the simple past form of the verbs: give, see, have, be, think and can.

I _____ (think) I knew you well
But all this time I _____ (can) never tell
I let you get away
Haunts me every night and every day
You _____ (be) the only one
The only friend I counted on
How could I watch you walk away
I'd give anything to have you here today
But now I stand alone with my pride
And dream that you're still by my side
But that _____ (be) yesterday
I _____ (have) the world in my hands
But it's not the end of my world
Just a slight change of plans
That was yesterday
But today life goes on
No more hiding in yesterday
'Cause yesterday's gone, oooh!
Love, my love I _____ (give) it all
Thought I _____ (see) the light, when I heard you call
Life that we both could share
Has deserted me, left me in despair
But now I stand alone with my pride
Fighting back the tears I never let myself cry
But that was yesterday
Love _____ (be) torn from my hands
But it's not the end of my world
Just a little hard to understand
That was yesterday
But today life goes on
You won't find me in yesterday's world
Now yesterday's gone
Goodbye yesterday
Now it's over and done
Still I hope somewhere deep in your heart
Yesterday will live on, oooh!
