

# RESPONDE CON RESPUESTAS LARGAS

She is a teacher. She teaches third graders. She says "good morning" every day. She asks her students how they are doing. The students love her. She is good at her job. She does not get a lot of money. Teachers should get more money. They work so hard.

1-What is her occupation?

2-Which students does she teach?

3-What does she say every day?

4-What does she ask her students every day?

5-Do her students hate her?

6-Is she bad at her job?

7-Does she get a lot of money?

8-Do teachers work hard?
