

1. Match the subjects with the pictures.

|                                                                                   |                                                                                   |                                                                                   |                                                                                     |
|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
|  |  |  |  |
| <input type="text"/>                                                              | <input type="text"/>                                                              | <input type="text"/>                                                              | <input type="text"/>                                                                |
| <b>Science</b>                                                                    | <b>PE</b>                                                                         | <b>Maths</b>                                                                      | <b>History</b>                                                                      |
|  |  |  |  |
| <input type="text"/>                                                              | <input type="text"/>                                                              | <input type="text"/>                                                              | <input type="text"/>                                                                |
| <b>English</b>                                                                    | <b>Geography</b>                                                                  | <b>Music</b>                                                                      | <b>Art</b>                                                                          |

2. Draw lines from the names to the pictures.

|                                                                                     |                     |                                                                                       |
|-------------------------------------------------------------------------------------|---------------------|---------------------------------------------------------------------------------------|
|  | <b>PLAYGROUND</b>   |  |
|  | <b>CLASSROOM</b>    |  |
|  | <b>LIBRARY</b>      |                                                                                       |
|  | <b>LABORATORY</b>   |                                                                                       |
|                                                                                     | <b>COMPUTER LAB</b> |                                                                                       |
|                                                                                     | <b>MUSIC ROOM</b>   |                                                                                       |
|                                                                                     | <b>GYMNASIUM</b>    |  |

### 3. Match objects with names

Glue

Chalk

Scissors

Markers

Glitter

Board
