Routine

Hi, My name is Lena. I'm 28 years old.
I am a lawyer. I live in central London in a big apartment.
During the week I wake up at 6:00 am. I go to the gym and then I have breakfast. I always have fruit and scrambled eggs.
I go to the office in my car. I usually have lunch with my brother. We work in the same Company.

After work, I go back home and cook dinner with my fiance, Rupert. We love cooking and baking.

We always watch TV while we eat. He loves to watch documentaries and I love sitcoms.

We have a cat named sunshine.

Before bed, I have a relaxing bath and then I read for an hour.
