

Following Dave's advice choose the correct action that must be done according to the problem.

What should I do if I feel tired? - You should drink a soda - You should stop and rest - You should call a taxi	
What should I do if I break my foot? - Keep walking till the nearest hospital - you shouldn't move it - You should take a painkiller	
What should I do if I have a fever?? - You should call the doctor - You should let your friends know about it - You should call your mom	
What should I do if I am hungry?? - You could order some food - You should carry energy food as a chocolate - You can make a hot soup	
What should I do if an insect bites me? - You should put alcohol - You should put some tomato on it - You should use cold water or a cream
