

## Who Knew

You took my hand  
You showed me how  
You promised me you'd be around  
That's right  
I took your words and I believed  
In everything you said to me  
That's right

If someone said three years from now  
You'd be long gone  
I'd stand up and punch them out  
Cause they're all wrong  
I know better  
Cause you said forever, and ever  
Who knew

Remember when we were such fools  
And so convinced and just too cool  
Oh no, no no  
I wish I could touch you again  
I wish I could still call you friend  
I'd give anything

When someone said count your blessings  
now 'fore they're long gone  
I guess I just didn't know how  
I was all wrong  
They knew better  
Still you said forever, and ever  
Who knew

I'll keep you locked in my head  
Until we meet again  
Until we, until we meet again  
And I won't forget you my friend  
What happened

If someone said three years from now  
You'd be long gone  
I'd stand up and punch them out  
Cause they're all wrong and  
That last kiss I'll cherish  
Until we meet again  
And time makes it harder  
I wish I could remember  
But I keep your memory  
You visit me in my sleep  
My darling  
Who knew

Find in the lyrics the past simple form of the following verbs.

say                      believe                      be  
take                      know                      can  
promise                      show

**I. Write the past simple form of the following verbs next to their infinite form.**

say \_\_\_\_\_  
believe \_\_\_\_\_  
be \_\_\_\_\_  
take \_\_\_\_\_

can \_\_\_\_\_  
know \_\_\_\_\_  
promise \_\_\_\_\_  
show \_\_\_\_\_

**II. Can you recognize a similar pattern? Or not? Insert the verbs in the following chart according to their simple past form.**
