## LAB REPORT #1:

Materials:

Organize the procedure in the correct order:

- ☐ Cut the Earth and see its layers.
- ☐ Pour water little by little and form the dough.
- ☐ In a bowl, mix the flour and the salt.
- ☐ Divide the play dough in different sized pieces and dye each piece with a different color.
- ☐ Add oil to the mixture.
- ☐ Do a yellow ball and cover it with the red dough. Repeat with brown and blue.
