

TAYLOR SWIFT - YOU BELONG WITH ME

You're on the with your
girlfriend, she's upset
She's going off about something that
you said
'Cause she doesn't get your humor
like I do

I'm in the room, it's a typical
 night
I'm listening to the kind of she
doesn't like
And she'll never know your story like
I do

But she wears short
I wear
She's Cheer Captain, and I'm on the
bleachers
Dreaming about the day when you
wake up and find
That what you're looking for has
been here the whole

If you could see that I'm the one
Who understands you
Been here all along
So, why can't you see?
You belong with me
You belong with me

Walk in the streets with you in your
worn-out
I can't help thinking this is how it
ought to be
Laughing on a bench thinking
to myself
Hey, isn't this easy?

And you've got a smile
That can light up this whole town
I haven't seen it in a while
Since she brought you down
You say you're fine, I know you
better than that
Hey, what you doing with a girl like
that?

She wears
I wear
She's Cheer Captain, and I'm on the
bleachers

Dreaming about the day when you
wake up and find
That what you're looking for has
been here the whole time

If you could see that I'm the one
Who understands you
Been here all along
So, why can't you see?
You belong with me

Standing by and waiting at your
backdoor
All this time how could you not
know, baby?
You belong with me
You belong with me

Oh, I remember you driving to my
house
In the middle of the night
I'm the one who makes you laugh
When you know you're 'bout to cry
And I know your favorite songs
And you tell me 'bout your dreams
Think I know where you belong
Think I know it's with me

Can't you see that I'm the one
Who understands you?
Been here all along
So, why can't you see?
You belong with me

Standing by and waiting at your
backdoor
All this time how could you not
know, baby?
You belong with me
You belong with me

You belong with me
Have you ever thought just maybe
You belong with me?
You belong with me
