

Frações

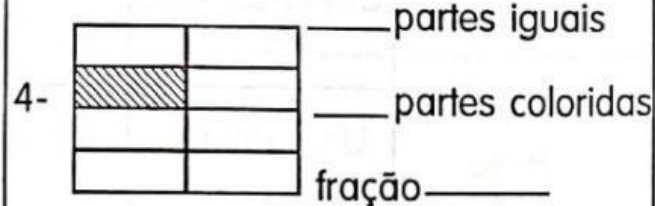

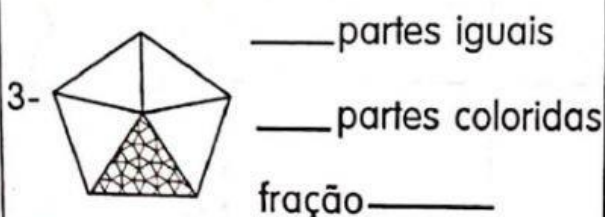

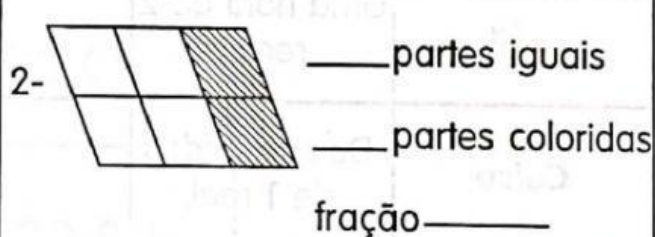

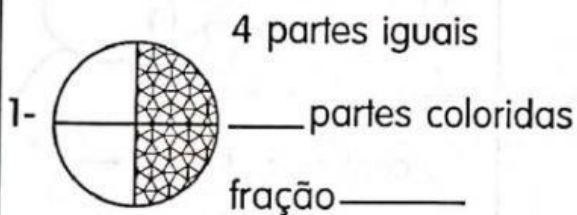

FRAÇÕES

Para representarmos uma fração, usamos dois números separados por um traço, que significa uma divisão. O número de cima chama-se **numerador** e o de baixo, **denominador**.

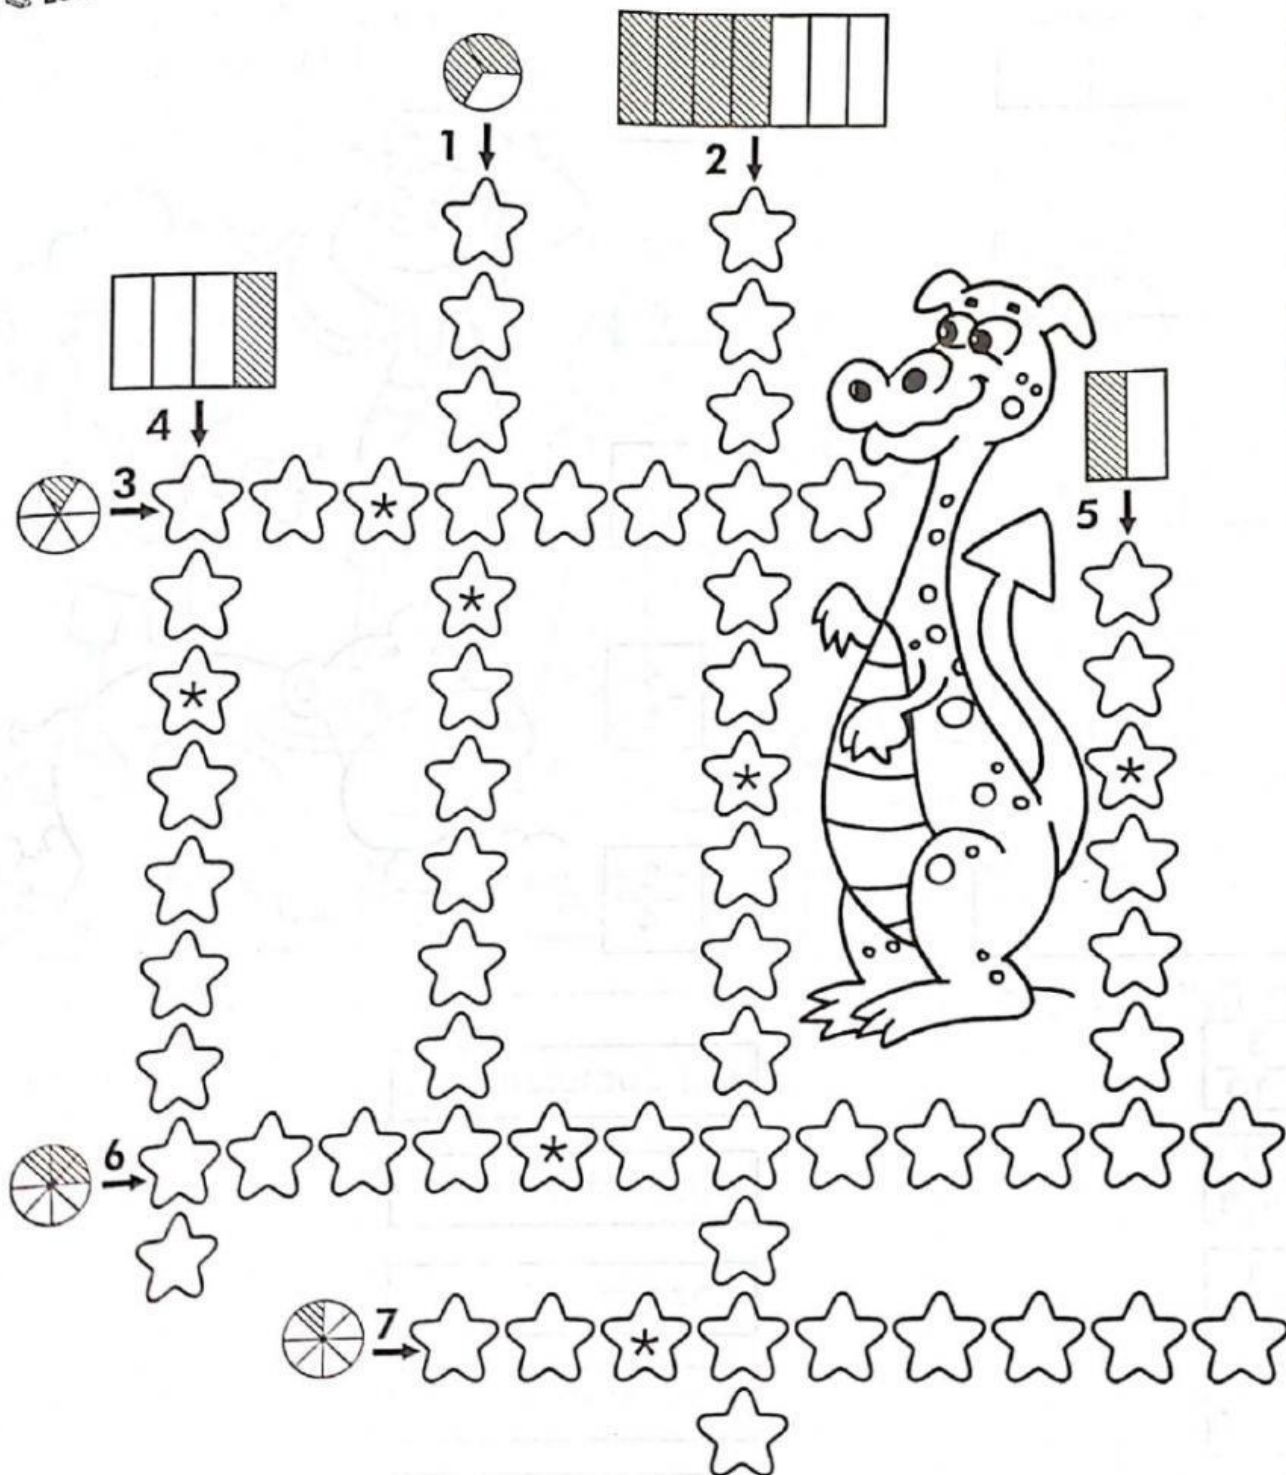

$\frac{2}{3}$ → Numerador = Dois terços
 3 → Denominador

Complete:

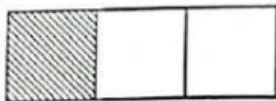

CRUZADA

Escreva como se lê:

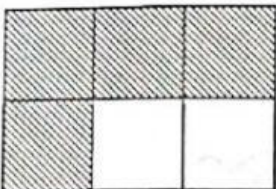

LIGUE - LIGUE

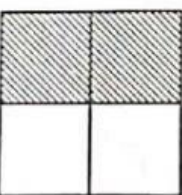

🐞 Faça a correspondência da primeira coluna com a segunda.

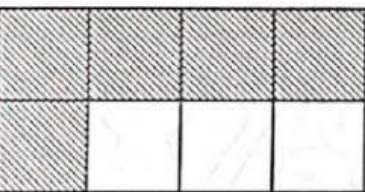

$$\frac{1}{2}$$

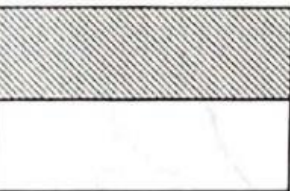

$$\frac{5}{8}$$

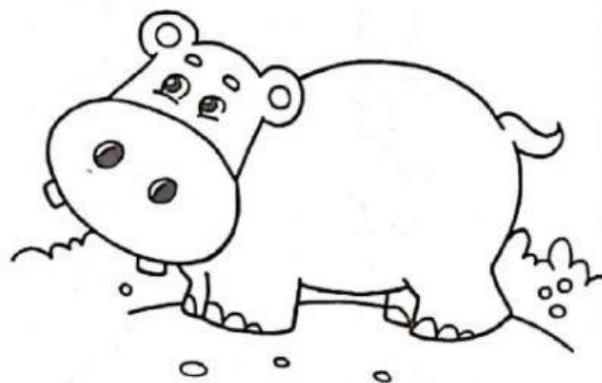

$$\frac{1}{3}$$

$$\frac{4}{6}$$

$$\frac{2}{4}$$

🐞 Continue ligando!

$$\frac{3}{10}$$
