II. Complete the blog with the words from the box.

excited interested scared surprised interesting

My school trip to Sharjah Museum

I'm not usually very in museums, but the Sharjah Museum of Islamic Civilisation was lovely!

We got there in the afternoon and we were all really about the visit. First, I was I by all the things to see there. But we had a guide who showed us everything. He explained things to us, and that saved time. My friend said he was of getting lost because it was such a big museum!

Everyone learned lots of things. I hope to go back again one day!
