SECTION B

Read about the duty roster of the prefects of Sekolah Rendah Mata-Mata during break time from Monday to Wednesday.

On Monday, Syahrul and Faiz make sure all the pupils must line up when buying food at the canteen. So does Haziman but his duty is on Wednesday. Also on duty on the first day of the week is Hasmadillah who looks after Pre classes.

On Tuesday, Badrul and Haziman close the school gate so that cars will not enter the school compound during break time. On the same day Faiz is on duty to prevent the pupils from playing near the pond. The other two prefects, Izzah and Hasmadillah look after the pupils' reading corner.

The next day, Syahrul and Badrul make sure the pupils read quietly in the library while Izzah looks after the pupils playing at the school playground. All the prefects make sure that the pupils will not throw any rubbish along the corridors.
