# At the zoo

**Read the conversation of Angela talking her visit to the zoo. Then answer the questions below. Write complete sentences.**

**Man** : So, Angela, you went to the zoo last week. Did you have a good time?
**Angela** : Yes, we had a great day. I took my little sister Maria – it was her birthday. First we went to the aquarium because Maria loves dolphins.
**Man** : Really? And how many dolphins did you see?
**Angela** : Oh, there were about six or seven, quite a lot. I wanted to see a blue whale, but there weren't any whales at all. I suppose they're too big. But there were some sharks – just small ones, with big teeth!
**Man** : So what did you see after the aquarium?
**Angela** : Well, then we had lunch. And after lunch we went to see the 'big cats' – the lions and the tigers. They were great!
**Man** : Lions and tigers! Hmm. And how many other animals did you see?
**Angela** : Um, we saw some bears – three or four bears, I think. Maria loved them. But she wanted to see some elephants too, and we couldn't see them at all – I think they were sleeping. There weren't any camels either, or giraffes, but we really did a great day...
