The Olympic Games

Quite Interesting (QI.com) is a website that welcomes articles from readers on topics of general interest. You have decided to submit an article on the topic of the Olympic Games.

You have done some research and produced a diagram. Using your information and notes, write an interesting and informative article to send to the website. Write between 180-220 words.

My notes:

- Advantages: international prestige, encourages kids into sport
- Disadvantages: expensive, installations abandoned after the event

Research: The Olympics

	Budget	Final Cost
Athens, Greece (2004)	\$8 billion	\$11 billion
Beijing, China (2008)	\$10 billion	\$30 billion
Sochi, Russia (2014)	\$10 billion	\$50 billion
