I don't really spend much- I buy some new clothes every now and then, and I have to put petrol in my car, of course, but _____, it's just going out at the weekend really. Most of my money goes into a savings account so that I can buy my own house one day.

Speaker 2 I find it really hard to _____, because I've only got a part-time job. Being on my own with my daughter means that my mum has to look after her when I'm at work. At least I don't have to _____! The flat we live in is rented , so that's where most of the money goes. I don't think I'll ever be able to afford our own place, because the bank won't give me a mortgage. Apart from the rent, my money _____ for my daughter. Still, I mustn't complain. I've got a lovely daughter, and that's all that matters really.

Speaker 3 I think I'm quite lucky really.

But I'm comfortable. I've _____, so that's one less expense, and I haven't got any bank loans to pay either. My one _____ is going out for lunch a few times a week with some friends. I suppose that's where most of my money goes really - on food!

Speaker 4 Can we live on our salaries?

Well, I'm not very sure, actually! My husband is a teacher, so he doesn't earn that much - certainly not enough to _____! That means I have to go out to work as well - I've got a full-time job at the local supermarket. And that's our biggest problem really, because we need someone to look after the children. Our child-minder _____ - we spend more on childcare than we do on our mortgage! Then there's food and new clothes for the children, too. Honestly, it isn't cheap having kids these days!
