Chapter -1 HTML

Student Name : _____ Std : _____ Section : _____

I. Fill in the missing tags in the basic structure of an HTML Page:

```
1. <!_____>
   <html>
   <head>
       <title> Computer </_____>
   </head>
   <_____>
       <_____> This is my first HTML document </h1>
   </body>
   </_____>
```

II Rearrange the tags to correct the program

```
<!doctype HTML>
<html>
    <title>
    <head> sample</title>
    </head>
    </body>
    <p align="center"> this
text is big </p>
    <body>
</html>
```

```
<!doctype HTML>
</html>
    <head>
    </head> sample</title>
    <title>
    <body>
    </h2> kavi <h2>
    </body>
<html>
```
