

AVENGERS TEAM

As you all know, we are experiencing a pandemic right now. One of the ways to keep ourselves safe against Coronavirus or Covid19 is to keep our hands clean at all times. In this regard, write the steps to proper hand washing by completing the sentences below. Choose your answer from the sentences inside the box.

- Put enough soap on one hand.
- Dry hands with clean towel.
 - Wet hands with water.
 - Rinse hands with water.
- Rub hands together for 30 seconds.

Steps in Proper hand washing

First, _____
