tip

When writing a story, don't write very short sentences. Use linking words to join them.

- **but** *I visited two castles yesterday* **but** *I didn't visit any museums.*
- **because** *I went to my hotel early* **because** *I was tired.*
- **so** *We didn't have a lot of money,* **so** *we went camping.*

Amikor történetet mesélsz, ne használj túl rövid mondatokat. Kapcsold össze őket kötőszavakkal!

de *Meglátogattam két kastélyt tegnap* **de** *nem voltam egy múzeumban sem.*

mert *Korán visszamentem a hotelbe* **mert** *fáradt voltam.*

ezért *Nem volt sok pénzünk,* **ezért** *kempingezni mentünk.*
