

When writing a story, don't write very short sentences.
Use linking words to join them.

- **but** *I visited two castles yesterday but I didn't visit any museums.*
- **because** *I went to my hotel early because I was tired.*
- **so** *We didn't have a lot of money, so we went camping.*

Amikor történetet mesélsz, ne használj túl rövid mondatokat. Kapcsold össze őket kötőszavakkal!

de	<i>Meglátogattam két kastélyt tegnap de nem voltam egy múzeumban sem.</i>
mert	<i>Korán visszamentem a hotelbe mert fáradt voltam.</i>
ezért	<i>Nem volt sok pénzünk, ezért kempingezni mentünk.</i>
