

แบบทดสอบ เรื่อง ส่วนประกอบของเซลล์พืช และเซลล์สัตว์

คำชี้แจง ให้นักเรียนเติมคำตอบในช่องว่างให้ถูกต้อง

เซลล์พืช

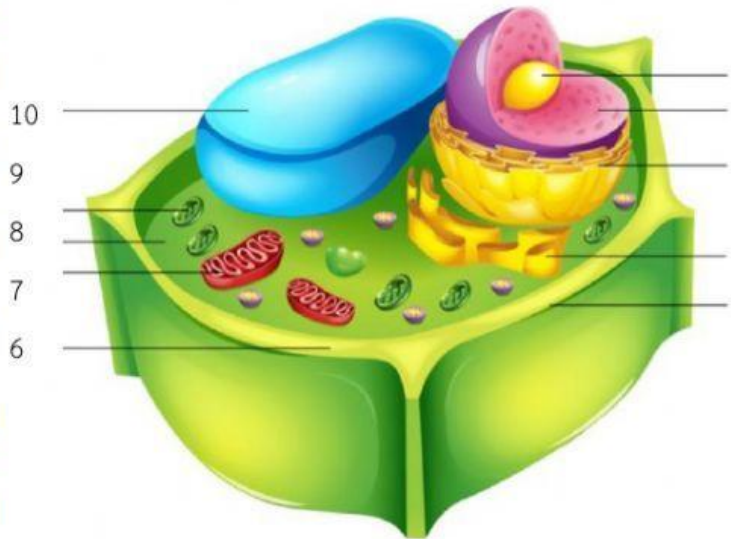

Diagram of a plant cell showing various organelles. The cell is green and has a thick cell wall. The organelles are labeled with numbers 1 through 10. The labels are as follows:

- 1: Nucleus (purple)
- 2: Nuclear envelope (yellow)
- 3: Nuclear pore (yellow)
- 4: Mitochondrion (red)
- 5: Chloroplast (green)
- 6: Cell wall (green)
- 7: Cytoplasm (green)
- 8: Vacuole (blue)
- 9: Tonoplast (blue)
- 10: Central vacuole (blue)

เซลล์สัตว์

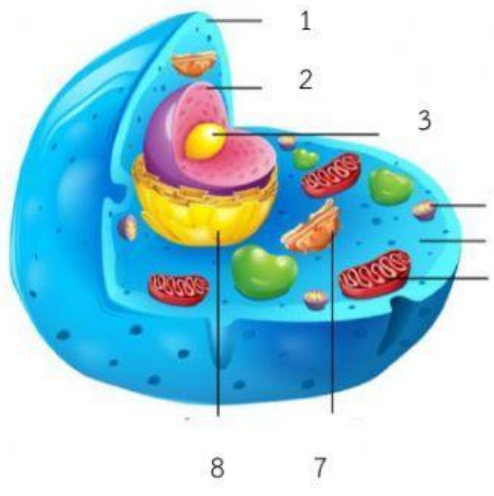

Diagram of an animal cell showing various organelles. The cell is blue and has a thin cell membrane. The organelles are labeled with numbers 1 through 8. The labels are as follows:

- 1: Nucleus (purple)
- 2: Nuclear envelope (yellow)
- 3: Nuclear pore (yellow)
- 4: Mitochondrion (red)
- 5: Golgi apparatus (yellow)
- 6: Lysosome (red)
- 7: Centrioles (green)
- 8: Cytoplasm (blue)
