### **i.- Listen and choose the correct adjective ( 6 points)**

#### **1.How does Caroline think that Hockey is?**

My name is Caroline and I think there are some sports that are really good and they are ones that are not that good, swimming for example is a difficult sport as running race because you need a lot of t of commitment and be in a very shape . Hockey is one of the most extreme sport that I have seen because they have to run very fast and wear heavy clothing, so it's really extreme for me.

#### **2.- How does Rodrigo think that boxing is?**

I think that boxing is a really interesting a sport some people will say that it is easy or you know an excellent sportv for forgetting about your problems but in my opinion I think boxing it's really dangerous, you can die in the ring

#### **3.- How does Javier think that skating is ?**

when I look at the Olympic Games and I see these beautiful girls and the boys doing these fantastic you know tricks in the air and a skating I think skating looks amazing for me is really fantastic. Because it doesn't only shows the beauty of the skating also it shows how good is for your body

#### **4.-How does Luisa think that Running is ?**

You know running is one of the most popular sports amount of people who actually work or study because it doesn't require any equipment only your body and you burn a lot of calories if you run a lot of time, in my opinion I think running is very tiring sport do to that if you do it in an area where you can't easily run it is difficult and you can fall. Howeve, it helps a lot for your body because you will feel really good ,shape and healthy

**5.- How does Mafias think that yoga is ?**

Well I am a very active person and when they told me to try to do yoga I thought this is not for me so I tried it and they were right I was right this is not for me it my opinion it's very boring and you need time to get in shape and it requires a lot of concentration and for me that is difficult

**6.- How does Camila think that swimming is?**

I have seen a lot of cool stuff in swimming you know in my opinion is that this sport it is just really interesting because you workout the whole body and something really nice all the time I think it's very cool a sport because you can actually do whatever you want and then when you are swimming it's very very cool
